In the semi-finals, Confederators beat Westmeads by 3 runs, and Empire beat Harrow by 5 runs.

In the finals, Confederators beat Empire by 2 runs to win the championship, and Westmeads beat Harrow by 3 runs to win the runners-up place.

THE OLD STAGERS

How Will They Shape Against The New

BY ROOLIGE

The story of Matilda, Pretty Polly, Tanf and Reuben in the South Caribbean Handicap series is one of the most interesting events in the history of the game.

These four old stalwarts have been performing with great skill and winning many matches against the new blood.

Their skill and experience have been the deciding factors in many of these matches.

However, the new generation is not far behind, and the young players are determined to show what they can do.

The old generation and the new generation will meet in a clash of titans, and it will be a battle of wits and skill.

The old generation will rely on their experience and skill, while the new generation will rely on their speed and agility.

It will be a match to remember, and the outcome is uncertain.
