**COWARD IN CLOVER**

The 'ghost in a dinner jacket' comes back with a bang...

By Beverley Hazen, M.P.

I cannot believe that there is a spirit in Leeds today that would appreciate the very serious and very real sufferings of lawn tennis at this time of year. The landscape is like a dream to those who play with a touch of humility.

In the past, I have always enjoyed the game of lawn tennis, but this year it has been a different matter.

The weather has been terrible, and the courts have been flooded with water. It is a difficult time for the players, and I cannot believe that there is a spirit in Leeds today that would appreciate the very serious and very real sufferings of lawn tennis at this time of year.

**NAN TUDOR PASSES**

Embers Should Win Trinidad Derby

By ROBBIE

Now that the preparations for the Calibishie race are in full swing, we have to get down to the business of selecting the best horse for the event.

Embers, a filly trained by Mr. S. E. Sargeon, is the bookies' choice for the event. She has been in fine form recently, and has been found to be a very good performer.
