SITTING ON THE FENCE

If the figure quoted for the new port in Gold Coast is any guide to the future economics of the country, it is not in the least certain that the scheme is not well worthwhile despite the very heavy cost. The figures given for the new port in Gold Coast are said to be due to the fact that the scheme is not sufficiently developed. But it is not certain that the scheme is not well worthwhile despite the very heavy cost.

One thing that the Government of the Gold Coast should do is to develop the scheme thoroughly. The Government is said to be considering the matter and to be willing to consider the matter in detail. The Government should do this immediately.

There are many other schemes that could be developed in the Gold Coast. The Government should consider these schemes and decide whether they are well worthwhile. The Government should also consider the matter of the new port in Gold Coast.

W RONG INDICATION

To the Editor of the Atlantic

The recent article on the subject of the new port in Gold Coast has been well received. It is not certain that the scheme is not well worthwhile despite the very heavy cost. The figures given for the new port in Gold Coast are said to be due to the fact that the scheme is not sufficiently developed. But it is not certain that the scheme is not well worthwhile despite the very heavy cost.

One thing that the Government of the Gold Coast should do is to develop the scheme thoroughly. The Government is said to be considering the matter and to be willing to consider the matter in detail. The Government should do this immediately.

There are many other schemes that could be developed in the Gold Coast. The Government should consider these schemes and decide whether they are well worthwhile. The Government should also consider the matter of the new port in Gold Coast.
