Iran Charges That A.I.O.C.'s Action Caused Hardship

Government Prepared To Effect Settlement

The Iranian Foreign Minister demanded the return of a huge British concern’s assets and claimed that the company’s management had been altered. The note accused the company of improper and cruel treatment of the Iranian Court and of breaking its claims in a competent court.

Britain’s note returned the situation virtually idle, with Iran unable to affect the West Indies in an attempt to arrange the political situation.
