Speightstown To Get New Fish Market

The Department of Roads and Public Works has announced plans to construct a new fish market in Speightstown, St. Peter, to meet the increasing demand for fresh fish in the area. The new market will open in the next few weeks and will provide a much-needed boost to the local fishing industry.

Legislature Say Yes To Getting U.S. Experts On Aided Self Help

The National Assembly has approved the importation of U.S. experts to assist in the development of self-help projects in Barbados. This move is expected to help improve the quality of life for Barbadians and to promote economic growth in the country.

Bahamas Must Build Longer Runways For Jet Planes

The Government of the Bahamas has announced plans to construct longer runways at their airports in order to accommodate the growing number of jet planes that are expected to visit the country in the near future. This will require significant investment in infrastructure and will have a positive impact on the country's tourism and economic development.

For leather of every colour—
It cleans, preserves—and how it polishs! Ask your retailer for Propet’s. Nothing that is quite the same. Works the different it matters to your shoes!

T.N.T.—Today Not Tomorrow!

This gentleman obviously feels the urge to move quickly—something has stimulated him to action! T.N.T. has put this effect—it overcomes the futility of the tropics—you feel better for it—more energetic—ready for the day's work—and the day after. A real wholesome food for nerves, brain and body, and a very delicious one, too.
